Dear Sir/Madam

**Wildlife and Countryside Act 1981 – Section 53
Claimed Public Right of Way at Beddingham, A26 to Red Lion Pond**

When an Applicant appeals a decision by the Council not to support a Definitive Map Modification Order (DMMO) application the Applicant must do so directly to the Planning Inspectorate, along with also informing the Council of the Appeal.

Usually within a few weeks the Planning Inspectorate formally inform the Council of the Appeal and provide a reference number. At that stage the Council normally writes to the landowners and other parties to inform them of the Appeal and the reference number.

In this case the Applicant has appealed the Council's decision, but the Planning Inspectorate has not formally informed the Council despite several months having passed, possibly as a result of Covid-19. Therefore, this letter is to inform you that the Applicant has told the Council he has appealed but the Council has yet to be notified about this officially. You can find the Applicant's Appeal on our website here:

Should the Planning Inspectorate contact me about the Appeal and provide me with more information I will inform you accordingly.

Yours sincerely

Stephen Kisko

Rights of Way Map

An online Rights of Way Map showing footpaths and bridleways across the County is available on the East Sussex website at the following address:

<https://www.eastsussex.gov.uk/leisureandtourism/countryside/rightsofway/map/>

The map can be used to plan walks and rides on the Rights of Way network. It also provides the location and reference number of stiles, gates and bridges, as well as path numbers.
