I am pleased that the Environment Agency have closed the gates as vehicles were often parked or in what is a beautiful place or otherwise driven too fast and were a danger to walkers. Also vehicles would ultimately damage the beautiful canal bridge.

Otherwise I consider that the road should be open for pedestrians and dog walkers.

We moved to Leves in late 1996. This soon became a favourite cycle route. We go out from Leves via Mollington & Uckhale via Bawcumb. We always die down the old toll road because it is so pretty. Sometimes we take a break here. I have also had many cycle rides along the route.
