Dear Mr Kisko, thank you for your email of 6th June. We represent the landowner, Mrs S Harcourt-Smith. Please note that Oliver Harwood has now left RHRWClutton. All future correspondence in respect of RWO 207 should be addressed to myself, Ben Lee [REDACTED] and Mr Mark Sullivan [REDACTED]

We refer back to our email of October 2021 and continue to confirm we are working with Mr Carr and fully support his objections to the upgrading of the existing public footpath to a higher status and object to the other unproven rights claimed by Mr Smith in the RWO 207 application which we have seen.

We see no reason to depart from the Definitive Map which went through a democratic process and resulted in the extensive and useful ROW that are currently defined.

Please can we ask for a copy of the records for the original Definitive map process. i.e the documents referred to when the Definitive Map was made. In the meantime we propose that we will respond in full on receipt of that information. We note that any objections or comments must be received by yourselves no later than 18 July 2022.

In addition please can you kindly update us on any response you have made to Mr Stephen Carr.

Kind Regards

Ben J B Hall BSc Hons MRICS
